HORSES HAND PICKED FROM IRELAND BY ROGER RIMMER

## Cracker

**£5,250.00**

16.3hh 10 year old chestnut gelding. Dam: Beechlawn Purple Sire: My Paddy's Clover. A school master in the hunting field. Very experienced over the biggest country Cheshire has to offer. Very mannerly with a big bold jump. Takes his own line across any country. Hunted up until Christmas 2017 then he was turned out to make room for younger horses to hunt. Now in work and hacking out. Very good over a pole. Hacks out alone or in company in the heaviest of traffic. A very genuine horse. Open to vet.
